Defendant contends that Plaintiff is currently receiving in excess of \$338 per month in accordance with the applicable retirement benefit plan. The monthly pension payment was calculated in accordance with his early retirement and applicable reduction factors. As to the life and health benefit plan, Plaintiff is not receiving any benefit, because he was terminated prior to turning age 55, and therefore, Plaintiff was not eligible for the plan.

3. <u>Legal Issues</u>: Plaintiff contends that he was improperly denied benefits under the Retirement Benefit Plan and the Life and Health Benefits Plan.

Defendant contends that denial of any benefits was reasonable and not arbitrary and capricious. Defendant further contends that the denial of benefits to Plaintiff is supported by substantial evidence from the administrative record.

- 4. <u>Motions</u>: Plaintiff does not anticipate filing any motion.
 - Defendant anticipates filing a Motion for Summary Judgment.
- 5. <u>Amendment of Pleadings</u>: Plaintiff will be filing a First Amended Complaint which will dismiss the previously named Defendants and will bring in Defendant Sky Chefs, Inc.
- 6. <u>Evidence Preservation</u>: The parties do not anticipate any problems in this regard.
- 7. <u>Disclosures</u>: Plaintiff will be serving upon Defendant his Initial Disclosures. Defendant will exchange Initial Disclosures at an agreed-upon date. Because this matter is governed by ERISA, Defendant anticipates that discovery will be limited.
- 8. <u>Discovery</u>: The parties will work out a mutually agreeable discovery plan. Defendant anticipates that the discovery will be limited. Defendant suggests that it is premature to determine a discovery cut-off date since the case is currently not at-issue.
- 9. <u>Class Actions</u>: Not applicable.
- 10. Related Cases: None.
- 11. <u>Relief</u>: Plaintiff is seeking the recovery of the benefits under these two (2) plans and attorney's fees pursuant to ERISA.
- 12. <u>Settlement and ADR</u>: The parties have agreed to have this matter mediated. Plaintiff's preference is to have to matter mediated. Defendant's preference is that this matter be referred to a Magistrate Judge for a Settlement Conference. Plaintiff does not necessarily oppose this

2 13. Consent to Magistrate Judge for All Purposes: Plaintiff is willing to have this matter

- submitted to a Magistrate Judge for all purposes. However, Defendant does not consent to a Magistrate Judge for all purposes.
- 14. Other References: Not applicable.
- 15. <u>Narrowing of Issues</u>: Defendant contends that the sole issue is entitlement to benefits under ERISA.
- 16. <u>Expedited Schedule</u>: Because the issues appear to be fairly well circumscribed, the parties do not feel it is necessary for there to be an expedited schedule.
- 17. <u>Scheduling</u>: Defendant contends that any discussion of scheduling is premature since the case is currently not at issue in that the First Amended Complaint has not yet been filed.
- 18. <u>Trial</u>: Defendant contends that because the case is not yet at-issue, it would be premature to set this case for trial.
- 19. <u>Disclosures of Non-Party Interested Entities or Persons</u>: The parties will be filing the Certification of Interested Entities or Persons.
- 20. Other Matters: The parties are not aware of any other matters that need to be discussed or considered.
